**SUBSTITUTE SPECIFICATION & PHOTOGRAPH AND
REQUEST FOR RECONSIDERATION UNDER 37 C.F.R. § 1.125(a)**

Commissioner of Patents and Trademarks
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Commissioner:

In response to the Office Action mailed March 7, 2005, the Examiner is respectfully requested to reconsider the outstanding rejections in the light of the enclosed substitute photographs (in duplicate), substitute specification, claim and abstract.

The drawing was objected to under 37CFR 1.165(a) and the disclosure was objected to under 37 U.S.C. § 163(a) and under 35 U.S.C. 112, first paragraph, because the specification presents less than a full, clear and complete botanical description of the claimed plant and the characteristics which distinguish the claimed plant from related, known varieties and its antecedents.

In response to the Examiner's objections, substitute photographs and substitute specification, claim and abstract have been submitted with respect to the Examiner's comments and requests.

Favorable reconsideration of the application is requested in view of the substitute photographs and substitute specification, claim and abstract. With these additions and changes, the application is believed to be in condition for allowance, and such action is respectfully requested.

In the event any outstanding deficiencies remain, the Examiner is requested to contact the undersigned agent of record so that allowance of the application can be expedited.

Respectfully submitted,

Catherine Anne Whealy, Reg. No. 39,419
